ROJHAN PAYDAR

FRONT END WEB DEVELOPER

PERSONAL PROFILE

I'm a front end developer with a background in customer service. I bring interpersonal skills along with a strong understanding of HTML5, CSS3, and JavaScript. Design is not something I have done, but it is something I enjoy. I would like to enhance my UX UI skills to combine with my web development abilities.

PROJECTS

Battle Of The Babies

[GitHub Page](#)

[Website](#)

A fun take on a jQuery and JavaScript Rock Paper Scissors game! Users must choose a character to "fight" a randomized computer choice. The winner is determined based on which randomized character is selected to "battle".

Personal Pokedex

[GitHub Page](#)

[Website](#)

A paired programming jQuery project using the Pokemon API. Users can type in a pokemon number to generate a pokemon with their stats.
